# evolv<sup>AI</sup>

Discover the world's  
most innovative  
hearing technology.

## Introducing Evolv AI, Starkey's complete line of smartphone- connected hearing aids.

---

**Our most advanced hearing  
technology gives you the  
best Starkey Sound.™**

Evolv AI is loaded with our most innovative technology and clearest sound ever. This complete line of hearing aids connects seamlessly to your lifestyle.

# Effortless hearing. Effortless living.

---

**At Starkey, we understand the impact of hearing loss. Which is why we take every step to make better hearing effortless.**

Evolv AI changes the game with our most advanced Starkey Sound, enhanced connection and a complete line of styles.

With up to 55 million personalized adjustments every hour, our always-on, always automatic approach delivers realistic and genuine sound quality in every listening environment without the need to do anything extra.

**When it comes to better hearing innovation, you can expect effortless.**

*Realistic  
& genuine  
sound  
quality*

# Exceptional sound. Every style. Effortless hearing is everything you've wanted.

---

**Exceptional sound quality  
with a full line of hearing  
aids. Now that's what we  
call effortless hearing.**

With Evolv AI, an effortless hearing experience is what you can expect. You now have a complete line of hearing aid options that fit seamlessly into your unique lifestyle. From our smallest to our most powerful, we've cracked the code for our hearing aids to be effortlessly perfect.

## Noise Reduction

With a 40% reduction in noise energy, compared to previous technology, your sound quality is better than ever.

## Edge Mode

Hearing better in challenging listening environments is easy with our friendly, on-demand Artificial Intelligence feature that works with or without the Thrive app.

## TeleHear

Remote programming offers even more flexibility and fine tuning wherever you are. By consulting with your hearing professional virtually, remote adjustments can be made to your hearing aids.

A style  
crafted just  
for you.

*Now that's  
what we  
call effortless  
hearing.*

**You want hearing aids  
that are discreet, stylish,  
and effortless, right?**

Evolv AI has hearing technology that's rechargeable or non-rechargeable. From our smallest to our most powerful, the technology adapts seamlessly into your everyday life.

Your hearing professional will help find the style that works perfectly for you, so you can wear your hearing aids with confidence and easily experience life to the fullest.

# AI-powered hearing solutions for every need.

# evolv<sup>AI</sup>

Talk to your hearing professional about your needs, your lifestyle and how active you are to help find the hearing aid that's right for you. And if you have single-sided hearing loss we have solutions to help you.

## In-ear Solutions

# Effortlessly connect to the life you love.

---

You expect your hearing aids to fit perfectly with your lifestyle. With improved connectivity, the best streaming sound quality, and Remote Programming improvements, Evolv AI does exactly that. Connect to a life well lived.

## Fall Alerts

Fall Alert now provides even more accuracy in detection than ever before.

## Reminders

Get calendar and reminder alerts directly through your hearing aids.

*You expect  
your hearing  
aids to fit  
perfectly with  
your lifestyle.*

# Our wireless accessories make hearing effortless.

---

## 1. Remote Microphone + Mini Remote Microphone

Both enable easy audio streaming and one-on-one conversations in noisy environments.

## 2. Remote

Easily control memory and volume, mute hearing aids and turn other special features on and off.

## 3. TV Streamer

Allows you to easily stream audio from your TV or other electronic audio source directly to your hearing aids.

## 4. Standard & Custom Charger

With up to three full charges, our chargers let you know when your hearing aids are charged, automatically turning the devices on when removed from the charger.

## 5. Mini Turbo Charger

In just seven minutes, our pocket-sized charger provides 3.5 hours of power and can completely charge RIC R or BTE R hearing aids up to four times.
