Hearing Is Our Concern™

HEAR WHAT LIFE HAS TO OFFER

ignite™

If you've been experiencing hearing loss, but have put off getting help because of misperceptions about hearing aids or because of budget concerns, now is a good time to learn about Ignite.

Ignite is Starkey's latest line of value-priced hearing aids: designed with our usual high quality standards, but at a more economical price.

Ignite includes the most important features for providing a hearing experience that delivers quality sound and increased comfort – all for your unique hearing needs:

Feedback Cancellation – greatly reduces annoying buzzing and whistling caused by things like talking on the phone or being hugged.

Noise Management – automatically recognizes and reduces noise for more comfortable listening in loud environments.

Directional Settings – designed to help you understand the speech in front of you while filtering out unwanted background noise.

• **Ask your hearing care professional about Ignite today and discover all that you've been missing.**
