More power. More choices. More freedom. Two new power styles to choose from: Xceed BTE Super Power & Xceed BTE Ultra Power

Oticon CROS - world's first CROS/BiCROS solution with the open sound experience and TwinLink™ dual streaming.

All miniRITE and BTE styles offer patients a discreet hearing aid with a wealth of new features and functionality, including 2.4 GHz wireless technology and Made for iPhone® functionality.

The rechargeable miniRITE R is powered by state-of-the-art lithium-ion battery technology for a full day's charge, providing ease of use with fast charging times.
