TRULINK®

Preparing for your
Made for iPhone
Compatible Hearing Aid

Congratulations!

This is an exciting time for you and your loved ones as you pursue better hearing. Your hearing care professional has placed your order for your Made for iPhone® hearing aids. Because of the unique way that these hearing aids connect with Apple® devices, there are some actions needed **before your next appointment.**

Please complete the following three steps:

STEP 1: Ensure your Apple device is compatible with your Made for iPhone hearing aids.

Visit TruLinkHearing.com/FAQ for a full listing of Apple devices that are compatible with Made for iPhone hearing aids.

If your current Apple device is not on this list, contact your hearing professional.

STEP 2: Ensure your Apple device has the latest version of iOS software.

1. To check if the latest version* of iOS software is installed on your Apple device tap **Settings > General > Software Update.**

*Must be 9.0 or higher

2. If a software update is available, tap **Install.**

NOTE: You must be connected to WiFi or your computer via iTunes to update iOS.

STEP 3: Download the TruLink Hearing Control app.

1. Tap the **App Store® icon.**
2. Type **TruLink** in the search field.
3. Once the TruLink Hearing Control app screen is displayed, tap **Get** (it will change to **Install**).
4. Tap **Install** to load the app on your device.

5. Type your Apple ID and password to complete the download process.

You have now completed all the steps necessary to prepare for your fitting appointment.
