

Starkey Omega AI Hearing Aids

A new dimension in better hearing

Technology designed to help you hear better and live better should feel natural, seamless, and individual to your needs — so you'll never miss a beat.

It should allow you to easily connect and forget about your hearing loss, whether you're at home watching TV, with friends at a crowded restaurant, or in any situation — room to room, moment to moment.

It should be **Omega AI hearing aids**—built with sound clarity that instills connection, durability that drives confidence, and innovation that promises unstoppable living.

Endless hearing, unstoppable you

Omega AI hearing aids redefine what it means to be modern and discreet yet durable and comfortable for all-day wear.

And with **Auracast™ assistant connectivity**, you'll stay connected to your world—and to clarity—wherever the day takes you.

They're waterproof*, everyday-proof, and designed to go the distance of your day and then some.
